TOPRA is the global organisation for Regulatory Affairs professionals and for those who have an interest in Regulatory Affairs in the healthcare sector.

Our current membership is drawn from over 40 countries and members worldwide are actively involved in delivering the services needed by busy regulatory specialists. Members are drawn from industry, the regulatory agencies and the consultancy community and work in all sectors including medical technologies, biotech, borderline products and pharmaceuticals.

The membership is around 3,500 and growing. If you are recruiting in Regulatory Affairs in the healthcare sector then we offer a precisely targeted low-wastage audience.

With over 7,000 unique users per month and over 60,000 site visits in the past six months the TOPRA web site carries influence with a much wider audience. The careers and jobs pages are the third and fourth most popular pages on the web site after the home page. Reflecting the importance of TOPRA in career development, we offer members access to a career coaching service, with a free initial telephone consultation.
